

Quality Policy

FSR Consulting LLC intends to provide its customers with the goods and services to the agreed requirements including the price and specifications.

FSR is dedicated to understanding and fulfilling:

- The requirements of our customers,
- Maintaining compliance with applicable regulations, and
- Improving the effectiveness of our processes.

Our goal is to achieve customer satisfaction by establishing a culture of excellence, transparency, accountability, and innovation.

The management and staff at each level are responsible for quality through the Quality Management System. FSR is committed to achieving the highest levels of customer satisfaction meeting or exceeding the requirements of ISO 9001. The company encourages its suppliers, vendors, and sub-contractors to participate in achieving this goal.
